We make this request with the understanding that, in addition to compliance with normal U.S. inspection requirements, the above-named firm voluntarily agrees to the following:

- To comply with all provisions of appropriate inspection laws and regulations of the importing country when preparing product for export to that country. These requirements have been reviewed by officials of this firm and are fully understood.
- To reimburse USDA for any inspections over and above U.S. requirements. (Reference FSIS Directive 5110.1)
- To segregate and maintain identity of product eligible for export from noneligible product.
- To operate in the mode to meet the importing country's requirements anytime an export audit is made by a U.S. review team or by a foreign official.
- To operate in the mode to meet the importing country's requirements anytime an export audit is made by a U.S. review team or by a foreign official.
- To notify appropriate FSIS officials promptly when firm wishes to be removed from the list of plants that are eligible to export to the country named herein (Item 3).
