RE: FOIA-2018-00418  
*Non-compliance records*

Dear Mr. O'Connor:

This is the final response to your Freedom of Information Act (FOIA) request, dated July 29, 2018 to the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS). You requested access to a copy of noncompliance records, from April 1, 2018 to June 30, 2018. We received your request in our Office on July 30, 2018.

The FSIS FOIA staff works with subject matter experts across the Agency to locate responsive documents. For this request, we conducted a records search in The Office of Data Integration and Food Protection. FSIS' search began on July 31, 2018. Our search includes responsive records in FSIS' control on that date.

We have located 1,208 pages of NRs with no descriptions that are responsive to your request. After a thorough review, we have determined that these pages may be released in their entirety. Accordingly, this request is granted in full.

You may appeal this determination within 90 days from the date of this letter. Your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting your appeal. The envelope should be plainly marked to indicate that it contains a FOIA appeal. If you decide to appeal this determination, please send your appeal to:
