

Call to Request Your Free WorkLife4You Kit

You may be eligible to receive one of the following kits containing free products and information to help you with parenting and adult care responsibilities.

Prenatal Kit

If you are expecting a child, the Prenatal Kit can help you plan for a healthy pregnancy and child birth—and educate you about child care and parenting issues.

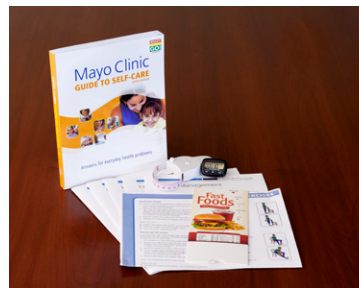

Child Safety Kit

If you have a child under age three, the Child Safety Kit can help you protect him or her from today's most prevalent dangers.

College Kit

If you have a college-bound child or college freshman, the College Kit, filled with practical products and safety information, will help him or her transition smoothly into college life.

Be Well Kit

If you are interested in improving your wellness, the Be Well Kit contains free products and information designed to help you proactively manage your health.

Adult Caregiver's Kit

If you are caring for an older loved one, the Adult Caregiver's Kit provides information and products designed to help seniors with daily living.

Pet First Aid Kit

If you are a pet parent, The Pet First Aid Kit contains free products and information to help you keep your pet safe and healthy wherever you are, even on the go.

Emergency Kit

If you want to be prepared in the event of an emergency, the Emergency Kit contains free products and information designed to help keep you safe should disaster strike.

To request your free WorkLife4You kit, simply call a specialist day or night at:

1-800-222-0364

(TTY: 1-888-262-7848)

Plus, WorkLife4You can also provide information and referrals to assist you with pregnancy, child care, adult care, college financial aid issues and much more.

(Please note, you must meet eligibility requirements listed under each kit description.)
