RE: 2020-FSIS-00435-F  
04C02 Inspection Related Records

Dear Ms. Sutherland:

This is the final response to your Freedom of Information Act (FOIA) request, dated July 06, 2020, to the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS). You requested copies of NRs and MOIs and any supporting records related to noncompliance with humane handling and slaughter regulations (ISP Code 04C02), from April 1, 2020 to June 30, 2020. We received your request in our office on July 6, 2020.

The FSIS FOIA staff works with subject matter experts across the agency to locate responsive documents. For this request, we conducted a records search in the Office of Planning, Analysis and Risk Management. FSIS' search began on July 06, 2020. Our search includes responsive records in FSIS' control on that date.

We have located 111 pages that are responsive to your request. After a thorough review, we have determined that portions of these documents are exempt from disclosure under (b)(6) of the FOIA, 5 U.S.C. § 552, as amended. Accordingly, this request is granted in part.

Portions of the responsive records are exempt from disclosure under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). Exemption 6 protects information that would constitute an unwarranted invasion of an individual's personal privacy. The types of information withheld under Exemption 6 include the names, addresses, or cell phone numbers of employees of Establishments and third parties, including, but not limited to interviewees or customers.

With respect to the portion of your request seeking online posting of records, we consider your request under Section (a)(2)(D) of the FOIA. As you know, the FOIA affirmative disclosure requirements of Section (a)(2)(D) only applies to copies of records that have been released to any person pursuant to a valid FOIA request under 5 U.S.C. 552(a)(3), and that the agency has determined have become or are likely to become the subject of subsequent requests for substantially the same records or have been requested three or more times. For records that meet this criterion, FOIA requires the agency make copies of these records available for public inspection in an electronic format. See 5 USC 552(a)(2)(D) and 7 C.F.R. 1.2. FSIS has determined that the records provided in response to the (a)(3) portion of this request meet the requirements for public inspection in an electronic format. As such, FSIS will post these records to its public reading room within 45 days of the date of this final response letter.

You may appeal this determination by email to [FSIS.FOIA@USDA.GOV](mailto:FSIS.FOIA@USDA.GOV). Your appeal must be in writing, and it must be received electronically no later than 90 days from the date
