RE: 2022-FSIS-00005-F
04C05 Inspection related records

Dear Ms. Sutherland:

This is the final response to your Freedom of Information Act (FOIA) request, dated October 1, 2021, to the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS). You requested records regarding all 04C05 inspection task records for non-compliance related to the humane treatment of poultry under the PPIA, including Noncompliance Records (NRs), and Memorandums of Interview (MOIs), issued from July 1 to September 30, 2021 and any remaining records in FSIS's possession related to the humane treatment of poultry under the PPIA, including Memorandum of Information, Letters of Concern, and Letters of Cause, issued from July 1 to September 30, 2021. We received your request in our office on October 5, 2021.

The FSIS FOIA staff works with subject matter experts across the Agency to locate responsive documents. For this request, we conducted a records search in the Office of Field Operations and Office of Planning, Analysis and Risk Management. FSIS' search began on October 5, 2021 and includes responsive records in our control on that date.

Please be advised that the Inspection Task data sought can be located on the FSIS website at the following link: <https://www.fsis.usda.gov/science-data/data-sets-visualizations/inspection-task-data>.

We have located four (4) pages that are responsive to your request. After a thorough review, we have determined that a portion of the records are exempt from disclosure under (b)(6) of the FOIA, 5 U.S.C. § 552, as amended. Accordingly, this request is granted in part.

Portions of the responsive records are exempt from disclosure under FOIA Exemption 6, 5 U.S.C. § 552(b)(6). Exemption 6 protects information that would constitute an unwarranted invasion of an individual's personal privacy. The types of information withheld under Exemption 6 include the names, addresses, or cell

phone numbers of employees of Establishments and third parties, including, but not limited to interviewees or customers.

With respect to the portion of your request seeking online posting of records, we consider your request under Section (a)(2)(D) of the FOIA. As you know, the FOIA affirmative disclosure requirements of Section (a)(2)(D) only applies to copies of records that have been released to any person pursuant to a valid FOIA request under 5 U.S.C. 552(a)(3), and that the agency has determined have become or are likely to become the subject of subsequent requests for substantially the same records or have been requested three or more times. For records that meet this criterion, FOIA requires the agency make copies of these records available for public inspection in an electronic format. See 5 USC 552(a)(2)(D) and 7 C.F.R. 1.2. FSIS has determined that the records provided in response to the (a)(3) portion of this request meet the requirements for public inspection in an electronic format. As such, FSIS will post these records to its public reading room within 45 days of the date of this amended final response letter

You may appeal this determination by email to FSIS.FOIA@USDA.GOV. Your appeal must be in writing, and it must be received electronically no later than 90 days from the date of this letter. FSIS will not consider appeals received after the 90 calendar-day limit. Appeals received after 5:00 PM EST will be considered received the next business day. Your appeal should include the FOIA tracking number, a copy of your original request, FSIS's response to your original request, as well as reasons supporting your appeal.

For quickest possible handling, please email your appeal to FSIS.FOIA@USDA.GOV, and in the subject line of your email and the appeal letter, mark "Freedom of Information Act Appeal" and reference FOIA No. 2022-FSIS-00005-F.

If you do not have access to email, or are otherwise unable to email your appeal, you may mail your appeal to:
